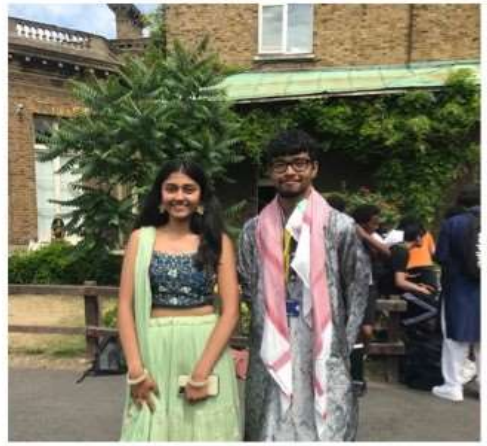
Graveney Students for Peace

- Over the last three years we have been supporting the charity “Doctors Without Borders” who work in a number of different areas of conflict.
- The link came out of a request from students who had personal connections to some of the countries concerned.
- They wanted to raise awareness not just of conflict but of their cultural heritage.



Total raised so far:

£595.64

MEDECINS SANS FRONTIERES

What happened…

- Last year we invited students to bring in food to sell at lunchtime in both Lower School and Upper School
- We compiled a Graveney Playlist, from student recommendations, to play at lunchtime while the food was enjoyed
- Students had the opportunity to wear clothes which reflected their cultural heritage
- We raised over £500 as a school community

2024

By popular demand we are running the event again this year on

Thursday May 9th

Graveney Students for Peace

- Do –
- Take the chance to show off your cultural heritage if you'd like to
- Be respectful of each other
- Compliment people if you like what they are wearing
- Ask questions to learn from each other

Graveney Students for Peace

- Don’t -
- Wear clothes if they are not part of your own heritage or stereotype other people’s culture

Get involved…

- If you'd like to help create posters, compile a playlist, run a stall, make a display ..or anything else please contact Ms Akharware
